

Visitor Restrictions

Monday March 16, 2020

In an effort to minimize and contain the spread of COVID-19 Selo Gardens Personal Care Home is implementing visitor restrictions effective immediately

We acknowledge the importance of family support to. However, we are asking families recognize that our residents are higher at-risk group for illness, especially COVID-19.

Please delay your visit under the following circumstances:

- If you have any respiratory or gastric symptoms such as a common cold symptoms, diarrhea/vomiting.
- **If you have travelled outside the province within the last 14 days or have flu-like symptoms do not visit.**

ATTENTION;

VISITORS TO SELO GARDENS PERSONAL CARE HOME – Is restricted to essential visitor's only – **Essential visitors** means immediate family visiting during compassionate reasons.

Please consider virtual visiting through electronic applications such as Facetime, Skype and WhatsApp, and telephone calling.

We request that anyone entering our facilities practice proper hand hygiene upon entry. Please bring your own masks so not to deplete our supply.

While we understand the benefit that family and loved ones contribute to the overall comfort and care of patients, these steps are being taken to keep patients safe and to prevent the spread of COVID-19 at this time.

We appreciate everyone's support through this stressful time;

Management/Board/Staff
